GEN702   Internship Experience CP-A - Internal
                 *Application required for internship placement

2024-2025 Scheduling Process Reminders

GRADUATION REQUIREMENTS	CREDITS
English Language Arts (English 9, English 10/AP Seminar, English 11/AP Lang., English 12 Choice/AP Lit.)	20
Math *(Including Algebra 1, Geometry and one course beyond Geometry**)*	15
Social Studies (World History CP/AP, American Studies I/US Honors, American Studies 2/AP US History)	15
Science *(Biology, Chemistry and one course in the Physical Sciences)*	18
World Languages (Spanish and French)	5
Health & Physical Education	15
Visual & Performing Arts	5
Technology	5
STEM *(Five additional credits in Science, Technology, Engineering, Math)*	5
Financial Literacy	2.5
Students must earn a total of 135 credits to graduate, enrolling in at least 35 credits each year.	

To prepare for your scheduling session, please complete the front of this sheet keeping the following in mind:

- PE/Health have been pre-scheduled for you in Genesis. You will need to fill 7 additional periods.
- You must select three extra electives as alternates.
- If you have any questions about your academic level recommendations, speak with your teacher or your counselor.
- If you are planning on a four year college, you should schedule a second year of a world language.
- Consider elective requirements - have you taken a technology or art?
- Concurrent enrollment course courses are valuable, check them out - they are marked with a ©
- Consider an AP class.
